**Re: *ePlus, Inc. v. Lawson Software, Inc.*
Civil Action No. 3:09cv620 (REP)**

Dear Judge Payne:

Pursuant to the Court's request during the January 11, 2013 telephonic hearing, ePlus lists below its preferred dates for a contempt hearing. ePlus expects the contempt hearing to last no longer than three days.

1. The week of February 25
2. The week of April 1
3. The week of March 18
4. The week of March 11

ePlus's strong preference is for a hearing that begins the week of February 25. ePlus respectfully requests that a contempt hearing not be delayed until March or April.

ePlus's technical expert, Dr. Alfred Weaver, is unavailable between March 11 and March 18. If the Court schedules a hearing for the week of March 18, ePlus respectfully requests that the hearing begin on March 20 in light of Dr. Weaver's schedule.

The week of April 1 poses difficulties because of the Easter and Passover holidays. If the Court schedules the contempt hearing for that week, ePlus respectfully requests that the hearing commence on April 3.
